HOW TO SEARCH GOOGLE

"In a recent study 3 out of 4 students could not perform a well "executed" google search.

“ QUOTATION MARKS: ”

Students should always use quotes to search for an exact word or set of words. This is useful when you want something like quotes, song lyrics or text from a an exact historical time period.

Example: "The Great Chicago Fire"

DASHES (OR MINUS SIGN)

Use this symbol directly before a word to help exclude unwanted information from your search.

Example: Great Chicago Fire -soccer

TWO PERIODS

Use this to help you find information between those two numbers. For example you might want to try:

Example: Great Chicago Fire October 8..10

SITE SEARCH

For a look through the Chicago Hlstory Museum site only

Examples: Great Chicago Fire site:chicagohs.org

site:Chicagotribune.com
